I completed an IA during my first divo tour to Afghanistan. I am extremely interested in filling an Engineering billet. I am married to another Navy officer stationed in Norfolk. Spouse is pregnant with your third/fourth child (important for those requesting oversea billets). I have an Exceptional Family Member - Cat 4 and updated my status two months ago. THIS IS YOUR OPPORTUNITY TO TELL ME HOW YOU WANT ME TO SLATE YOU AND MAKE DECISIONS FOR YOU - PLEASE EXPLAIN ACCORDINGLY!
